Dear Mrs. Susan Tenness,
 I filed the complaint last year. I still
 have not received my case number.

My former boss tried to fabricate my
 employment - file. She was caught to lie
 under oath at the DET hearing &
 Mass. Board of review. (also her own-
 voice on my message machine....)
 That's why she lost. The DET granted
 my unemployment benefit.

I have been suffered in many years.
 I understand that you're very busy,
 I do not want to call to bother you.
 It's hard for me because I can not afford
 an attorney. I need the Court to assign
 someone to help me with my case.

Please check on my case:

Loz NGUYEN SS.# 027-60-7156
 (1st) (Lastname)

I hope to hear from you.

Thanks for your concern to this matter.

Sincerely,
 Loz Nguyen
